

FRED'S CAMP - AFTERCAMP CARE

Afternoon camp care is available to working parents who need a safe place for their children after the regular camp day ends. There will be no afternoon bus service and children must be picked up no later than 6:00 p.m.

Cost for this service is \$16 per child/per day. If you know your summer work schedule, we would appreciate pre-payment of AfterCamp fees and the days your child will need this service. If you are unsure of your work schedule, let us know as soon as possible so that we can staff this program appropriately. Parents not using this service on a regular basis will be expected to pay daily. It is important to remember that any parent picking up a child later than 6:00 p.m. will be charged \$1 per minute/per child. The late charge will be paid directly to the counselor in charge as these young people will have been working all day and it is not fair to them to have to stay any later than 6:00 p.m.

If you need the AfterCamp Care please answer the following questions and return this form with your payment at the pre-camp open house.

Due to the importance of this form, if you mail it, please call the office to verify that it has been received. PLEASE DO NOT FAX
